MOTIVATION

The Selection committee will pay particular attention to this part

What are your professional and personal motivations to apply for the Executive Master's OpT program?

What is your career plan, short and long term?

How can this SPECIALIZED MASTER's contribute to fulfill your career plan?

DEVELOPMENT OF A STRATEGIC ACTION PLAN (250-500 words max)

During the training program, each trainee works on the elaboration of a strategic action plan, aimed at improving the quality of the service provided to costumers in a specific urban area under the mandate of the utility. It can target a water supply service or a sanitation service. This work assignment is the core element of the training programme. It leads each trainee to methodically and logically apply the knowledge gained during the training to a real situation in his country.

This professional mission leads the trainee, with the support of the pedagogical staff, to adopt a process of analysis and preparation of action, grouping sources of information within the company, internal staff and external partners.

The development of the strategic action plan is split into three phases (Diagnostic → Strategy → Action plan). The trainee goes back to his company twice during the programme (2X 3 months)

AWARDING of full or partial STUDY GRANTS

Grants will be awarded to the best candidates by the Agroparistech-SUEZ Chair and an official jury for the 2023-2024 session according to precise selection criteria:

1. Quality of the application form (including writing quality)
2. Level of support from your hierarchy
3. Level of responsibilities within your company
4. Quality and feasibility of your "strategic action plan" project

After receiving your form, if it is selected, you will have a phone or on-line interview and a jury will assess the results.

This jury meets every one or two months.

The first eligible applicants have priority over subsequent applicants for an equivalent assessment of the level of application.

Apply as soon as possible due to the limited number of scholarships and places available.

UPCOMING CONTRIBUTION TO THE TRAINING PERIOD, FOR YOU on one hand AND YOUR GENERAL MANAGEMENT, HRD AND TRAINING DIRECTOR on the other hand

Upon approval of your application and potential admission by our selection panel between March and October 2022, we will contact your MD, HRD and Training Director in order to:

- know their expectations in terms of your involvement in our management school
- strengthen the links between your company and us in an "ex-post follow-up of the MS OpT training": impact on your company, in your comfort zone and in other areas of influence at managerial level for you

About you:

- with online tools, identify your personal talents and characteristics before you come in February 2023 (The results obtained will be strictly confidential and personal)

The methodologies used before the start will be shared with your Mentor, your HR Manager and your Training Director

Please fill in the following information:

a) Name and surname of your HRD

Email

Telephone

b) Name and first name of your Training Director
